

Chester Bowles Asks Editor To Conference

C. E. Townsend, editor of the Press-Record, today was invited by Chester Bowles, special representative of President Kennedy, to attend a Department of State foreign policy briefing conference, Feb. 1 in Chicago.

Purpose of the conference is to examine current international problems and to provide opportunity for discussion of these issues with senior officers of the Department of State and the executive branch who are responsible for dealing with them.

The conference will be on a "background" informational basis, except for an on-the-record luncheon speech followed by questions from the press. Participants are being invited from Illinois and Indiana.

Thermostat Burns

Firemen were summoned to the Harry L. Rodgers' residence, 9 Briarcliff, Thursday at 3:50 p.m. No damage was reported but firemen said the thermostat burned out.

his home yesterday morning and taught his arm in the bathroom, was hospitalized to be treated for possible fracture of the right arm. He was carrying his 24-year-old son, Franklin Jr., who was unhurt in the tumble.

His wife, Roberta, 22, who rushed to his rescue, also slipped on the icy steps and fell, injuring her right foot in the bathroom, which prevented her from falling down the flight. She was given outpatient treatment.

Also hospitalized was Miss Frances Rhodes, 68, of 2425 Edison avenue, a retired teacher, who slipped on icy steps at her home and injured her left shoulder.

The weather forecast for the Quad-Cities tonight states that a cold wave is on its way here but it is not yet known.

10 Accidents In GG
Ten traffic accidents—all attributed to the rain, ice and snow—were reported to the Quad-Cities police yesterday between 8:00 a.m. to 7:25 p.m., a span of 11½ hours. There were no injuries listed.

In the first mishap, Robert Fitzgerald, 32, of 2840 Forest avenue, was driving north on Madison avenue and lost control of his car at Namd road, crashing into the concrete base of a traffic signal.

At 9:45 a.m. autos driven by Donald Whitehead, 19, of 2637 Grand avenue, who was going east on Edwards street, and Homer A. Abernathy, 42, of 2601 East 24th street, who was driving south on Namd road, collided at the intersection. Whitehead was unable to stop on the ice.

Dennis Baker, 21, of 2428 St. Clair avenue, was driving west on East 24th street, and John H. Pflieger, 34, of 2527 Douglas ave. when his auto skidded on the ice in the 2600 block and hit a parked car owned by John Critchfield, 29, of 2912 St. Clair street, left ankle, and Patricia Stern, 11, left shoulder.

Some Schools Close
All Granite City public and parochial schools dismissed classes today due to the inclement weather conditions in the area. However, Madison public schools

and St. Mary's Catholic school held classes as usual. Venice public schools were also conducting classes but St. Mark's Catholic school was not in session.

Granite City School Supt. Dr. Harold Kaiser told the Press-Record on today that there will be school tomorrow. Dr. Kaiser stated that today's cancellation was made about 9:30 last night, and the food and supplies and a forecast of snow for today.

School officials at Granite City have three parochial schools—Sacred Heart, St. Elizabeth and St. Joseph's. They said that they hoped classes could resume Tuesday. Sister John Thomas, St. Joseph's school principal, said that their school's policy is to do as the public schools decide.

Madison and Venice school administrators indicated that classes would be held tomorrow as usual. Rev. Robert McCarthy at St. Mark's in Venice said that he thought classes would be conducted in the morning.

purchase of the downtown post office building on Niedringhaus avenue.

The school board at its meeting last week indicated an interest in buying the building for administration offices.

Surplus Property
Although the present post office building is still in use, it already has been declared surplus government property according to the notes received by the city from Dominic A. Tesoro, regional commissioner of the General Services Administration.

Contracts have been awarded for construction of a new main post office building on the city-owned block at 24th street and Madison avenue, but nothing has been heard of the contract in the last two months.

The contractor representatives told me last November that he had a few weeks to get a construction permit. I haven't heard from them since, Bloomquist told the Press-Record.

The sale notice for the post office building will be posted through Jan. 31, when it is to be withdrawn, the city was advised.

The present main post office at 24th and Madison street is in a 615-acre, triangular tract.

Types of dispositions for surplus property, as set forth by GSA, are for public park, recreation, school, or historical monument; schools, classrooms or other educational programs; projects of public health, including research, public safety or wildlife conservation.

Notice of the availability of the building also were sent to Gov. Keener and County Clerk Patricia Holtz, the city was advised.

MORE ABOUT 2-Story Duplex To Be Erected On Yale Avenue

(Continued from Page 1)

Construction of the first two-story duplex dwelling in the Leuders Park Estates subdivision is slated with the issuance of a permit to Leo Wolf Co. by City Building Inspector Earl Bloomquist.

The permit was one of six totaling \$37,595 approved for the first half of this month, as new construction subsidies due to weather conditions. The other permits included four for commercial improvements and one for a home project.

The two-story, brick veneer duplex dwelling is to be built at 2834-36 Yale avenue at a cost of \$30,000. It is to contain eight rooms and three baths and garages also are to be built.

Largest of the four commercial permits went to Kenneth Hartberger for a new front, electrical work and flooring at his liquor store and tavern, 2530 Namd road. Cost of the improvement was set at \$25,000.

Another Landreutte permit for a laundrette at 847 Niedringhaus avenue, where he plans to install 20 washers and dryers. The permit also calls for sewer and utility installations.

Residential at 1830 Delmar street for Vaughn's drug store, opened last weekend, was permitted for \$10,000. The permit called for removal of partitions, installation of fixtures, and changes in electrical wiring, floors and doors.

The other commercial permit for a \$100,000 trucking project to be undertaken by the former Bernadine Realty Co. for the former brewery warehouse and office building at 19th street and railroad tracks.

The lone home improvement permit was issued to H. A. McConnell for siding to be installed at 2417 Missouri avenue at a cost of \$895.

Rebid Venice Project
In other business at Saturday's special meeting, the levee board referred to its engineering committee two resumitted bids on the construction of an outlet channel to the Mississippi river at the shoreline in Venice.

The new bids excluded the cost of dewatering operations during construction on the assumption that the work can proceed during low stages of the river.

The H. H. Hall Construction Co. submitted bids of \$235,000 and \$242,400, the first bid including concrete grade which would be built only if earth conditions are too soft to proceed without such construction. The Hall firm was the original low bidder on the project before re-bidding.

Both of the above projects are among 10 which the levee district plans to finance with a \$1,833,200 general obligation bond issue.

Last Wellet
Lloyd Schram, 1223 Robin street, Venice, told police he lost a tan leather wallet containing \$25 in cash and important papers at Eighth street and Madison avenue, Madison, about 11 p.m. Saturday.

Scale Satz Today
Madison firemen answered a call at 9:50 a.m. today to Butch's Coal Co., 1353 Iowa street, where the public scales had caught fire while workmen were attempting to thaw them. The blaze was extinguished without damage.

Solenberg said that Vice-President Sidney Aubrey will preside for Rev. Calvin M. Marcum, UF president, who is on vacation.

Freak Fire Causes \$100 Damage In 4-Family Flat

A freak fire caused an estimated \$100 damage in the upstairs apartment of David Barnett, 2130a Benton street, in a four-family brick flat Saturday afternoon.

Main station firemen who answered the alarm said Barnett's young daughter was attempting to light an oil heating stove in the living room with a wad of paper, and when the paper flared, she turned quickly and threw it. The blazing paper landed in an overstuffed chair, touching it off.

The loss was set at \$75 to furnishings and \$25 amount of water damage to the building. No injuries were listed.

Woman Scalded In Fall While Carrying Hot Water

Mrs. Clara Tayan, 31, of 1635 Edison avenue, was given emergency treatment at St. Elizabeth Hospital Saturday evening for scalds suffered when she slipped and fell while carrying a pan of hot water.

Also treated Saturday was 17-year-old Karen Niedhardt of Route One, Edwardsville, who suffered contusions to her left arm and both knees in an Edwardsville school bus-auto accident near Poag on Friday.

Skidded On Ice

Evelyn S. Williams, 22, of 2155 Orville, was headed east on Washburn avenue at 12:05 a.m. Saturday when her auto skidded on the ice through the Pontoon road intersection and struck a north-bound auto. The other car was driven by Ronald E. Buzick, 41, of 216 Briarcliff. There were no injuries reported, police said.

Fire Alarm At Plant

Firemen from the West Granite station were called to the A. O. Smith Corp. plant Thursday afternoon when a short circuit in heat control wiring caused a blaze in the paint shop. Firemen said the fire was minor and no estimate was given of the damage.

Reilly Corp. Official To Talk Here Tomorrow

Harry E. Whitmore, chemical sales division manager for the Reilly Tar and Chemical Corp. with headquarters in Indianapolis, will be speaker at the January meeting of the Tri-Cities Chamber of Commerce light industry committee tomorrow night.

"You and Your Business Ethics" will be the topic discussed by Whitmore, who is considered an authority in that field. He has talked on the subject before groups in all parts of the country and is in demand as a speaker, according to William C. Brocius, chairman of the light industry committee.

A counselor to the American Chemical Society, Whitmore is also a fellow of the American Association for the Advancement of Science and of the American Institute of Chemists. He is listed in the 12th edition of the World Who's Who in Commerce and Industry.

A graduate of Pennsylvania State University, he has worked as an atomic scientist at Oak Ridge, Tenn. He is a past member of the manpower committee of the National Association of Manufacturers, past chairman of the Chicago Area Career Conference, and a member of the Indianapolis C. of C.

Brocius said all local business people who are interested in business ethics are welcome to attend the session, but requested that they call the Tri-Cities C. of C. office so that sufficient accommodations may be made.

The meeting is scheduled for 6:30 p.m. at the Rose Bowl restaurant.

A. O. Smith Contract Talks Continue

Contract negotiations, held every day last week, were resumed today between officials of A. O. Smith Corp. and Bollinger Local 575. The old contract expired Dec. 31 and day-to-day extensions are being granted. Details of contracts talks are not being disclosed by mutual agreement of the plant and union.

Also being negotiated at the frame manufacturing plant are contracts with Electricians Local 809 and Machinists District 8. Their contracts also expired Dec. 31. Production at the plant is continuing.

Auto-Truck Accident

A St. Louis dairy delivery truck stopped for a milk delivery on Johnson road at Clark avenue was involved in an accident Saturday afternoon when an auto driven by Harold Miller, 27, of 2979 Stratford lane, slid on the icy roadway. County authorities said the truck operator was Elmer O. Morgan of East St. Louis.

23rd street, West 25th street and Ohio avenue with interlocking laterals. Other lines are planned for Roosevelt street and on Linden avenue, with a tie-in to a Lincoln Place line between Maple and Spruce streets with connectors on the south side of Niedringhaus avenue.

The central section of the city calls for a major storm water relief sewer to be located along Grand avenue, extending from 21st to 16th street. Connecting lines would be located along 20th, 19th and 18th streets.

Another line would be located along Adams street in the 2200 block and would proceed east on 23rd street.

Other major lines would be located along 26th street and 27th street, as well as Michigan, Idaho and St. James avenues. The line along 27th street would extend eastward and then north along Ralph street and to 30th street.

The proposed system for East Granite calls for a five-foot property east of East 23rd street.

Emptying into it would be lines along Bromley avenue, Hall street, August street, Kate street, Henry street and Ridgeville avenue. The ditch flow would be south to Monroe street, where another line would extend south.

In Tri-City Park, the proposed storm water lines would be located along 12th street and Martin street. Another line would be located along 20th street, with connectors from Sherman, Russell, Quincy, Park and Omaha streets, with the main trunk line along Quincy and Atlantic streets.

The system is designed not only to separate storm water runoff and sanitary sewage, but also to end the city's major drainage problems for years to come.

Class Day exercises for the Madison high school graduating class were held at 2 o'clock in the gymnasium, with a program arranged by the class members. The graduation program was held Jan. 31 under the direction of Miss Edna Robinson.

Mrs. Ernil Brown of Graniteville street, Venice, entertained a number of friends with a picnic party at her home last Saturday evening. Those present were Mr. and Mrs. William Ferguson, Mr. and Mrs. Reeves Musick, Mr. and Mrs. Minor Hannaford, Mr. and Mrs. H. J. Miss Ruth Hunter and Mr. Burt.

The Granite City high school cheerers lost their 11th consecutive game of the season at Collinsville Friday night, 32-0. The loss was a Madison-St. Clair conference tilt.

After outplaying the Alton Hilltoppers 11 to 8 in the first quarter last Friday evening, Berwin's defending champion Trojans weakened in the remaining periods and finally emerged on the losing side of a 45-25 score. The game was played in Madison and is the second conference defeat this season for the Trojans out of four games played to date. The loss dropped them to a tie with St. Louis for fourth place in the race.

John L. Fichte of Venice and Assistant Attorney General John B. Harris of this city accompanied Dr. Leo Coleman, also of this city, to East St. Louis last evening where the latter was initiated into the Fourth Degree of the Knights of the Columbus.

Miss Velva Henley entertained her bridge club Thursday evening and included besides the club members a number of guests. They were Miss Ruth Hopkins, Miss Rose Lee Hill, Mrs. Ella Mae Delcor, Mrs. Carmel Willard, Mrs. William Thomas and Miss Mildred Brown.

Others for whom letters were written were Miss Rose Leuck, Mrs. Bertha Hipey, Mrs. Letha Albers, Mrs. Margaret Moore of East St. Louis, Miss Corrie Johnson and Miss Betty Adzell.

Mrs. Dan Gollmer was hostess to the Thursday Bridge club the past week. The ladies of the club present were Mrs. James Newman, Mrs. Roy Barney, Mrs. Harry Anderson, Mrs. J. T. Schill, Mrs. Delmar Peering, Mrs. W. H. Troyer and Mrs. E. C. Strunk.

The Minnet party of last Thursday evening took place at the home of Mrs. James Morrison on Hodges avenue.

The hostess held the high score and received first prize, and Mrs. Bessie Morgan Reese was second.

Mrs. Sam McFarland, assisted by her daughter, Mrs. Vernon Burgess, and Mrs. M. L. Weeks, Mrs. James Ward and Mrs. W. G. Davis, entertained the Frances Willard Bible class of the Niedringhaus Memorial M. E. Church at her home on Adams street Thursday evening.

Banquet, Assembly, Tea For GCHS Top Seniors This Week

Pre-graduation activities are in full swing this week for about 85 top seniors at Granite City high school. Old clothing and costumes are being worn today in the traditional observance of "lucky day," but more conservative attire is planned for the top senior banquet at 6 p.m. Thursday, Jan. 25, at the GCHS cafeteria. Supt. Harold M. Kaiser and Principal Lawrence McCauley will speak at the dinner, and a program will be presented by members of the class. Recognition of the accomplishments of graduating seniors will highlight a student assembly at 8:30 a.m. Wednesday in the auditorium. Then at the close of school Wednesday, top senior girls will gather for the senior tea, given by the home economics department.

TOO YOUNG to appreciate classical music or not, three-month-old Elmer Monroe Jr. can rightfully be called a "longhair." Shown here with his mother, Mrs. Doris Monroe, and his big sister, Tammy, the boy has a head of hair which might be envied by some of his baldier friends of all ages.

'Longhair' At 3 Months? Monroe Lad Really Is!

A trip to the barber shop may not be the kind of thing a three-month-old boy looks forward to, but for little Elmer Monroe Jr. it might be. "I guess we'll have to get his hair cut," says his mother, "but I feel kind of foolish taking him to a barber. One thing for sure, he won't be able to sit up in the chair."

The boy was born with plenty of hair, his mother says — in fact, he needed a haircut the day he arrived. And it kept right on growing until today it is over four inches long on top.

Elmer Jr. was born Sept. 25 at St. Elizabeth Hospital, weighing 8 pounds. He is the second child of Mr. and Mrs. Elmer Monroe Sr. of 2905 West 20th street.

Their other child, three-year-old Tammy, also had plenty of hair at birth, Mrs. Monroe says, but not as much as Elmer Jr. And her's didn't grow so fast either.

Mr. Monroe is a checker for a trucking firm in St. Louis, his original home. Mrs. Monroe is the former Mrs. Doris Revelle, a lifelong Granite City resident. "Everyone kept telling us he would lose his hair," the baby's mother laughs, "but it looks pretty certain now he's not going to."

"We'll have to get it cut," she adds. "People keep asking if he's a little girl. And you know how child of Mr. and Mrs. Elmer Monroe Sr. of 2905 West 20th street."

Three-Car Collision; Driver Faces Charges

Otis Mason, 34, of 1221a Calhoun street, Madison, posted \$27 cash bond Thursday at 3:20 p.m. after being charged with operating a vehicle without a driver's license and driving too fast for conditions. Police said that Mason's eastbound car on Edwardsville road struck the center strip and struck a westbound auto driven by Robert U. Wilson, 48, of 2012 Beckwith street, Madison.

Beckwith's vehicle then jumped the center strip and struck a car headed east, operated by James J. Wolf, 19, of Cahokia. The collision occurred near the 20th street intersection. There were no injuries reported, police said.

GCHS Losing Skein Ends At Dupo; Belleville Takes Top Trophy From Freeburg, 85-76

"Wouldn't it be something if they'd win two in a row after losing 10 straight and go home with a trophy," remarked a court-side observer Saturday afternoon after Granite City had defeated Jerseyville in a consolation semifinal contest at the Dupo invitational basketball tournament, 50-42.

It didn't happen that way, because Belleville Cathedral was a 68-50 winner in the consolation final later Saturday evening. But it was apparent to the small, hardy band of GCHS followers in the near-empty Dupo gym Saturday afternoon that the Warriors were most happy indeed to finally record something in black in after losing 10 straight.

"They whooped and hollered much like their namesakes as they ran to the dressing room afterwards, and it was obvious that the win was just as important morale-wise to the club as regional or sectional wins had been to superior GCHS forces of years past."

Warriors Injured
The Warriors won against a club which made a lot of mistakes and without Larry Wortham, their tallest available player, who joined six other players who were on the active roster at the beginning of the season but are out now due to ineffectuality or injury.

Wortham suffered a multiple fracture of the nose during Friday afternoon practice at the GCHS gym. He visited a specialist Saturday, and the latest word is that he will be sidelined for at least three weeks. The nose may also require plastic surgery.

In Saturday night's cheering section, Wortham joined Gene Hoffman (crossbitch) and George Moore (line surgery) among GCHS walking wounded.

In the tournament's top game—the championship final—Belleville recovered from two relatively poor showings earlier in the week to measure Freeburg, 85-76, in the only game which drew a packed house, thanks to improved weather conditions.

Shooting by Jim Proffitt and rebounding by Larry Noblin, enabled GCHS to break its losing streak.

Noblin grabbed 10 rebounds in the final 16 minutes, and Proffitt scored 15 of his 21 points in the last half. His total was an individual scoring high for the Warriors this season.

For once, the Warriors led almost all the way. Charles Papp's jumper near the end of the first period gave GCHS an 11-6 lead, and the Redmen held onto it, although shakily, 22-21 at halftime. It was 34-32 after three periods.

Barry Sykes hit several important free throws in the third period. When it became evident late in the final quarter that the Warriors had victory within their grasp, they played three "keepaway" against the Panthers' pressing defense. GCHS out-rebounded Jerseyville 15-10 in the last half, and hit six of eight field goal attempts in the final quarter.

Sauget Plagues GCHS
Against Cathedral Saturday night, it was a different story. The Crusaders' Rich Sauget plagued GCHS with his driving shots in the first half and little Guard Dave Perez killed the game in the final quarter.

GRIMACING GOALTENDER Arlen Leslie (left) bounces Venice high school defender Friday night in third place game of New Baden tournament. Leslie went high to grab missed shot by Venice's Pete Fields in game won by Ashley, 78-51. Dark-skulled Venice players identified are Don Devany (25) and Paul Sifton (43). No. 34 is Ashley's Charles SENSEL.

Venice Beaten In 3rd Place Final At New Baden, 78-51; Lebanon Is Tourney Titlist

Pre-tournament favorite Lebanon did not disappoint its supporters Saturday night as it ran roughshod over Breese, 78-51, in the championship of the New Baden invitational, beating Venice 78-51.

Lebanon had advanced by turning back Tamaroa 62-48 in the first round and squeezing out Ashley 64-63 in the semifinals.

Ashley had too much for Venice in Friday night's third-place contest, 78-51. Venice shot just 28% from the floor, and in its two tournament game appearances after beating Marissa 77-47 in the first round, fired away at an ineffective 26.5% clip from the floor.

Friday's first contest saw Aviston take the tournament's consolation trophy with a 56-48 decision over Breese.

Fall Behind Early
The weather warmed up but Venice stayed cold Friday night, falling behind 20 points in the first two quarters against Ashley, and never threatening afterwards in the race for the tournament's third-place trophy.

Ashley produced two big scorers who bedeviled the Devils throughout—Harry Hunsicker and Dave Zwaske. Newcomb poured in 28 points and Zwaske had 26 on 13 field goals.

Don Devany mustered 22 points for Venice, and Jerry Cicio collected 14 before fouling out. Three other Red Devils finished with 10 or more points.

Wright Scores 31 But Braves Down
MHS Fresh, 53-50

Haves Wright scored 31 points for Madison's freshman basketball club Thursday afternoon, but Coolidge junior high school's ninth graders had better scoring balance as they won their fifth game in seven outings on the Coolidge court, 53-50.

The Braves led all the way against Madison's pressing zone defense, but a 37-30 third-quarter lead was chopped by Wright in the last quarter as Madison scored 12 for the visitors.

Doing most of their scoring from outside the zone, Vince Devo totaled 18 points and Joe Hauptman 17 for Coolidge, which enjoyed a 25-20 halftime lead.

The Braves are at home to Edwardsville's freshman team tomorrow at 4 p.m. Madison's frosh have two games on tap early this week. This afternoon they play Cahokia in Madison, and on Wednesday they will play host to Dupo's freshmen.

Coolidge, Central Divide Game
Central's seventh grade basketballers rolled to their seventh straight court victory at Prather junior high school Thursday, defeating Coolidge JHS counterparts 36-17, but Coolidge's eighth grade squad ran up a 34-21 final score against Central in a game which followed.

Coolidge vaulted away the eighth grade victory by outscoring Central 28-7 in the first half. Larry Ripka led the winners with 15 points and Len Reville had 12 for Central.

Central mustered a 20-14 half-time advantage in the first game, and Coolidge could manage just some three points in the second half. Terry Moore had 10 points for Central and Richard Jones led Coolidge scorers with nine.

Coolidge Outpoints Riverview Maters For Eighth Straight

Coolidge junior high school wrestlers scored their second decision over Riverview Gardens high school freshmen here Thursday evening, and ran this season's winning streak to eight meets in a row, 32-14.

Bob Moore's Braves scored eight wins in the 12 bouts, four decisions and four pins by Steve Cavanaugh, Mike Mounce, Ernie Kern and John Evenden.

Coolidge will seek team victory No. 9 tomorrow when it hosts Prather at 7 p.m. The Braves own one victory over Prather, gained early last December. Thursday's match results:

65 pounds—Richard Bledsoe (C) decisioned Mike McDonald 12-0; 103—Steve Cavanaugh (C) pinned Adelard Levesque, 3:42; 112—Terry Tessera (C) decisioned Ron Kessler, 9-6; 120—Steve Shaw (C) decisioned Gene Blawie, 3-2.

Madison, East Alton Trade Court Victories
Madison's junior high school eighth grade basketball squad, experiencing what Coach Stan Serwatka called "the worst first half I can remember in seven years," dropped a 32-27 contest in East Alton Thursday.

Madison scored two points in the first quarter and three in the second and trailed 24-5 at halftime. The club's 22-8 bust in the second half was not enough to overcome the East Alton lead. Paul Lusk led the losers with 12 points.

Madison's seventh graders easily outdistanced East Alton in the preliminary game, 53-12, with Don Nowicki scoring 16 points and John Robinson and Larry Nelson adding 12 each to the winners' total. East Alton experienced the same type of trouble in this contest as did Madison in the one which followed, scoring only one point in both the second and fourth periods. Madison led at intermission, 23-6.

Coolidge teams play host to Servatka's clubs at 4 p.m. today.

This Area Can Call Most of World's 141 Million Phones

There are more than 141 million telephones in the world, and Quad-City residents can call almost all of them, a newly-completed study related by the Southwestern Bell Telephone Co. reveals.

This worldwide calling scope ranges from the three telephones in the British Virgin Islands to 65% of the estimated 4,200,000 phones in Russia, according to "The World's Telephones," a statistical booklet being distributed by Southwestern Bell.

George Mauze, local manager for the telephone company, said figures shown in the booklet are those of Jan. 1, 1961, since it takes a year to gather the information. American Telephone and Telegraph Co. compiles the report each year.

The number of phones in the world almost doubled between 1931 and 1961. More than eight million new phones started ringing around the world in 1960 alone.

At the date of the report, the United States had more than 74 million phones or 52% of the world's total. Today, there are about 77,500,000 in this country.

Although parents of teenagers will not believe it, Canadians outside United States phone users.

In 1960, Canadians averaged more than 538 phone conversations per person, compared to 320 conversations per person in this country. Sweden was third in this category, with an average of 349 conversations for each person.

Snow, Ice Costs In Nameoki Twp. Amount To \$1500

Snow and ice clearance last week in Nameoki township cost about \$1500, it was reported during Thursday evening's town board meeting by Supervisor Harry Briggs and Highway Commissioner Charles Hanks.

The township operated all of its available road equipment and also rented a road grader from the Wilbur Waggoner Co. to keep the township's 70 miles of roads open to traffic.

Briggs explained the rental was needed for the Bend road area as other equipment was being used elsewhere in the township. The \$1500 cost, he added, included purchase of a new motor for one of the roadway trucks which burned out a motor while plowing drifted snow.

During the brief meeting, the town auditors also discussed progress on the sanitary sewer program being prepared for the entire township.

Briggs said preliminary work is continuing on the legal end by Town Atty. Nick C. Kaslari. "When the time comes to begin engineering studies," Briggs explained, "an application will be made for federal planning funds."

He added that the township is hopeful the East Side Levee & Sanitary District will provide financial aid through construction of trunk lines.

"We hope to have some information from the levee district in the near future," the supervisor said.

16 Days Remain For Aliens To Register Addresses

Aliens in the United States on Jan. 1 have just 16 days remaining in which to report their addresses to the U. S. attorney general in accordance with federal regulations.

Registration forms are available at local post offices, and willful failure to comply carries a penalty of possible fine and deportation, according to Wilbur T. Flagg of Chicago, district director of the Immigration and Naturalization Service.

Aliens, in addition to listing addresses, must also list dates and places of entry into the U. S., dates and places of birth, nationalities and alien registration numbers.

Each year about 500 aliens obtain the registration forms at local post offices.

\$116,861 Public Aid In County During November

Overall public assistance case-loads increased in November for the second consecutive month in the state, rising to a total of 433,326 from the October total of 428,773 recipients, it was reported over the weekend from the Illinois Public Aid Commission at Springfield.

In Madison county, 7071 persons received \$201,659 assistance during the month. Of that total, \$116,861 was aid for 3164 dependent children; \$4907 for aid to 65 blind persons; \$23,371 disability assistance for 290 persons; \$51,958 general assistance for 2225 persons, and \$95,562 in old age assistance for 1227 persons.

SIU Suggests Cooperation Among Taxing Agencies In GC

(This is the 56th in a series of articles based on a reorganization study of city government in Granite City by Southern Illinois University.)

The study of city government completed, the SIU team turned to the Granite City park district with four recommendations after pointing out the district is providing a needed service to the community.

"Unlike our review of various city functions," the SIU experts pointed out, "We do not have the authority or mandate to investigate in detail the operations of the park district, a separate taxing jurisdiction."

"Our limited review indicates that the district and its officials are doing a fine job and are providing a needed service in the community within the limits of resources. They are particularly to be commended on the excellence and scope of the recreation program, and their continued efforts to extend coverage and improve services."

Intergovernmental Relations "Cognizant of our limitation, we have focused our comments on those aspects affecting the relations between the park district and other governmental jurisdictions in the area. We have also indicated directions in which further intergovernmental relations should be pursued."

The team's first recommendation was for a park district representative to become a member of the City Planning Commission. This recommendation already has been followed by the city council.

In other recommendations, the SIU experts outlined the following: "The park district and the board of education of Granite City Community Unit School District No. 9 should cooperate actively in the selection and reservation of sites and the development of the sites and buildings to permit joint use for the benefit of all the taxpayers in the community."

"In respect to sites and need standards for parks and playgrounds, the City Planning Commission, school district and the park district should review the recommendations in the Harland Bartholomew report and coordinate efforts and objectives as that review would indicate."

"The city and the park district should extend the level of cooperation from the minor ex-

changes of equipment to a joint review with other jurisdictions of community improvements through membership and participation in the City Planning Commission."

"Other city-park district cooperation might be developed in the area of joint purchase and storing of materials and items of equipment needed by each agency as well as through joint use of certain personnel."

Organized In 1921

In a review of the local park district, the SIU team points out the Granite City park district was formed under state law and as the result of a referendum held Feb. 19, 1921.

"Although the district was organized for the purpose of removing railroad tracks and beautifying 24th street, the first property owned by the district was the triangular plot in front of the hospital building by Madison and N. Broadway avenues and 21st street. This tract was dedicated as a memorial to war veterans and was recently improved with a colorful fountain."

"The district has accumulated approximately 100 acres of park land, the largest being the 73-acre Wilson Park. Except for a community house at Lincoln Place, the major facilities in-

clude a swimming pool, several ball diamonds, tennis courts, comfort station, concession stands, formal gardens and picnic areas at Wilson Park.

"The park district is governed by a board of five commissioners elected for six-year overlapping terms. The commission-ers serve without pay. The ability, leadership and service to board employs a superintendent of parks, a recreation director and several maintenance and custodial employees on a full-time basis. The board secretary, treasurer and attorney are employed on a part-time basis. Recreation specialists of various kinds are hired on a temporary basis throughout the year as their services are required."

"The park district receives its revenue from two property taxes levied when the district was formed and one for recreation purposes which was voted by the residents of the district in 1942. "The district also receives funds from concessions, swimming pool fees and charges for participation in the various recreation activities. The first full-time recreation director was hired in 1956 and the recreation program has grown in scope since then."

Lawrence Ruemmler Is Awarded Scholarship

Lawrence Ruemmler, a son of Mrs. Rose Ruemmler, 3006 Buxton avenue, and a freshman at Southern Illinois Residence Center in Alton, has received a one-year scholarship to the University of Illinois at Urbana-Champaign and an activity award. The commission-basis of financial need, scholarship was awarded on the basis of merit. The ability, leadership and service to board employs a superintendent of parks, a recreation director and several maintenance and custodial employees on a full-time basis. The board secretary, treasurer and attorney are employed on a part-time basis. Recreation specialists of various kinds are hired on a temporary basis throughout the year as their services are required."

An important message to our friends in Illinois!

FAMOUS-BARR

601 OLIVE STREET SAINT LOUIS 1, MISSOURI

Important

Dear Customer:

Several news articles recently appeared regarding Famous-Barr and other St. Louis merchants collecting the Illinois use tax. Since there were some inaccuracies in these articles, we are writing you to clear up any possible confusion.

The Illinois Legislature recently passed an amendment to the Illinois use tax law which, according to the Illinois Department of Revenue, obligates Famous-Barr to collect the Illinois use tax on merchandise delivered in Illinois. Therefore, Famous-Barr will begin collecting the Illinois use tax on such sales effective March 1st, 1962, a date set by the Illinois Department of Revenue, to allow the completion of the necessary operating procedures. The effective date is March 1st and not earlier, as erroneously reported in the press. We would like to emphasize that this applies only to purchases of merchandise sent to a customer in Illinois, whether cash or charge.

While passing this information on to you, we would also like to remind you that shopping at Famous is, as always, a friendly experience that has made our store the favorite place to shop for most people in this area. Not only are you assured of outstanding values plus the added savings of Eagle Stamps, you also have the region's largest selections to choose from.

Sincerely yours,

1961 Accidents Down In Madison; 221 Reported

Accidents in the city of Madison declined last year according to an annual report prepared by Chief of Police Barney Fraundorff for the National Safety Council. The total number of accidents that occurred within Madison's city limits in 1961 was 221 as compared to 236 for 1960 and 237 in 1959.

Injuries were fewer last year than the previous two years — 53 as compared to 57 in both 1960 and 1959. However fatalities in 1961 — two — were high for the three-year span as 1959 event unblemished and one traffic death was recorded in 1960.

One of last year's fatalities involved a pedestrian being hit and the other resulted when a driver ran into a fixed object.

Accident Breakdown

A breakdown of 1961's 221 accidents shows that 182 involved two or more motor vehicles, 22 involved fixed objects, 10 pedestrians, four trains, two bicycles and one animal.

A closer examination of last year's 53 injuries reveals that 34 occurred in the two-or-more motor vehicle collisions; nine were pedestrians, five drivers who hit a fixed object, two injuries to bicyclists, one from train-auto and auto-bike mishaps, and one injury occurred from hitting an animal in the road.

Street classification records show that 128 accidents occurred on local city streets and 93 on state routes.

Both Fatalities Men

Both fatalities were men, one between 25 and 34 years of age and the other was in the 35-64 age division.

More of the accidents occurred on Saturdays than other days. Records indicate that 51 happened on that day, followed by Friday, 41; Thursday, 32; Monday, 31; Wednesday, 27; Sunday, 26; and Tuesday, 13.

The "rush hour" claimed the most accidents, as 22 occurred between 5 and 6 p. m., followed closely by 4-5 p. m., with 19 col-

lisions. Continuing the time-of-daybreakdown: 15 from 7-8 p. m.; 14 from 10-11 a. m.; 11 a. m. to noon and 8-9 p. m.; 13 from 3-4 p. m.; 12 from 6-7 p. m.; 11 from 9-10 p. m. and 10-11 p. m.; and 10 from 2-3 p. m.

One On Lunch Hour

The remaining hours of the day were considerably lower in number of mishaps but not one hour escaped claiming at least one collision. However two one-hour periods did have one lone accident. They were from 4-5 a. m. and, surprisingly enough, the normal lunch hour — noon to 1 p. m.

Of the 221 accidents, excluding drivers of cars in proper parking locations, there were 361 drivers involved. And of the 361, there were 307 males and 54 females.

Two hundred and fourteen of the 361 were residing elsewhere in Illinois, 109 were local residents and 38 were classified as non-residents.

Involved 416 Vehicles

There were 416 motor vehicles in the 221 mishaps, with 378 of them being passenger cars, 30 trucks, four motorcycles and one each of the following: passenger car and trailer; truck tractor and semi-trailer; another truck combination; and a farm tractor or farm equipment.

Road surface conditions were divided, with 163 accidents occurring on dry pavement, 40 on wet pavement, 15 on snow or ice and one described as occurring on other pavement conditions.

Twenty of the accidents happened at the shadowy time of day — dawn or dusk, with 119 in daylight conditions and 82 in darkness.

The ages of the 361 drivers involved in the mishaps were as follows: 72 were 23-34; 70 were 35-44; 60 were 35-44; 56 were 20-24; 44 were 35-44; 21 were 18-19; 12 were 65-74; two were 75 or older; and six ages were not stated. Individual age records found 12 seventeen-year-olds and six 16-year-olds.

December Relief Costs In Venice At 4-Year Low

Relief costs in Venice township during December totaled \$7898, a four-year low for the month of December.

A monthly report shows that aid was given to 320 persons in 112 families, plus one resident of the Madison County Nursing Home.

Comparisons reveal \$10,179 spent for 424 persons in December 1960, \$12,323 for 520 in December 1959, \$12,861 for 540 in December 1958 and \$7600 for 340 persons in December 1957.

The December 1961 totals represent a decrease in costs from the \$8066 expenditures in November, but a rise in the caseload from November's 308 families, 277 persons and one nursing home resident.

\$25,307 MFT Funds For 3 Local Cities

Motor fuel tax allocations for December amounted to \$25,307 for the three local municipalities. It was announced last week at the Illinois Department of Finance at Springfield.

Of the total, Granite City is to get \$19,386; Madison, \$3,319; and Venice, \$2,602.

ILLINOIS STATE FLAG presented Friday evening to the Granite City Engineer Depot officers' club to add to its growing collection of state flags. The presentation was made by Harold R. Fischer (left) and State Rep. Lloyd "Curly" Harris.

Local Leaders Present State Flag To Depot Officers Club

A new tradition, believed to have originated at the Granite City Engineer Depot last year, was continued Friday evening when local civic and business leaders presented the Illinois State Flag to the officers' club, increasing the collection to six.

The presentation was made during the club's weekly "happy hour" before an audience of over 150 officers and wives, and taking part in the ceremony were State Rep. Lloyd "Curly" Harris, Harold R. Fischer, president of the First Granite City National Bank, and Carl Ranft, president of J. C. Ranft Bottling Co., who were accompanied by their wives.

The Illinois flag, basically white with a large brown eagle and red, white and blue shield with a waving red banner, will join the display that includes the state flags of Vermont, Ohio, New York, Washington and California.

History Of Flag

In making the presentation, Fischer and Harris outlined briefly the new tradition and Harris gave the history of the flag explaining it was adopted in 1915 following a three-year state-wide design contest conducted by the Daughters of the American Revolution. It became the state flag even though the governor at that time did not sign the bill, Rep. Harris said.

The new tradition at the officers' club started last October when the 38th Engineer Battalion of the National Guard from Middleburg, Vt., was training at the depot and the Vermont state flag was presented to the club during a "happy hour."

Others guard and reserve

units training at the depot picked up the idea. An officer of an Ohio unit made a personal call to his governor's mansion to secure a flag. When a secretary asked him if the call was important, he replied, "It is to me."

Gov. Michael DeSalle dispatched the flag and it was received here in two days.

Noted New Year's Day

It was at the New Year's Day open house at the depot that local leaders noticed the display and that an Illinois state flag was not among them. Fischer said he asked Ranft to make the arrangements, which were carried out at Springfield by Rep. Harris, who secured the flag from the attorney general.

In addition to the flag, Fischer made a presentation of a violet corsage to the wife of Depot Commander Lt. Col. John M. Amley. The violet, he explained, is the state flower.

Rep. Harris, in giving the history of the flag, said there was considerable discussion over the wording on the red banner carried in the mouth of the eagle.

"This is a replica of the state seal and the word 'sovereignty' is upside down. The explanation is that the banner is waving from the eagle's mouth and is folded at that point. The wording is 'state sovereignty national union.'"

K. of C. Members Hear District Deputy

Knight of Columbus District Deputy Vincent A. Loman of Louisville spoke on national and international accomplishments of the Catholic laymen's organization before a meeting of K. of C. members at Tri-City Council 1068 here Thursday night.

Council Chaplain Rev. Sylvester Micek also addressed members on "Increasing Religious Knowledge."

Members plan to honor past grand knights during a banquet in February, and will enter teams in the Madison county K. of C. bowling tournament in Beloit Feb. 18 and 25. A fish fry is planned at the council home on Feb. 23.

At Thursday's meeting a report on the successful children's Christmas party was submitted by Chairman James Worthen, and members voted to purchase about a dozen new tables to be placed in the council hall.

Entries Needed In March Of Dimes Benefit Show

Entries are being sought for a benefit amateur talent show to be given Jan. 27 for the March of Dimes, according to Robert Butler Jr., teen-age chairman for the Quad-Cities campaign.

Butler said enough contestants are needed to make a one hour to 90 minute show, with about a third of them already selected. Anyone through 18 years of age is eligible to enter.

The show, to be presented at 10 a.m. at the Washington theatre, will be free to the public. Three trophies will be given in age brackets to be set later, and a grand trophy will be awarded to the top winner.

Charles Norman will be master of ceremonies.

Butler urged all young people interested in performing in the talent show to contact him or Miss Penny Maers, Madison, for further information as soon as possible.

All types of talent are needed for the program, he said. Those entered to date include dancers, pianists, a baton twirler and others.

Butler said readings, monologues and similar acts are suitable.

No admission will be charged for the talent show, with a collection taken for the 1962 March of Dimes. The show will be the major activity of the community's young people in aiding the fund campaign, Butler said.

Other activities include a benefit dance at the Big Top Bowl Saturday from 8 p.m. to midnight, with tickets on sale at schools in the community. A band will be provided, with admission set at \$1 per couple and 75 cents stag.

The teen-agers also will conduct road blocks at major intersections throughout the Quad-Cities at a later date, and will be selling miniature crutches, the emblem of the 1962 March of Dimes at basketball games.

The March of Dimes fund drive will be conducted throughout the month, climaxed by the Mothers' March on the night of Jan. 31. Mrs. Nina Bagley is general campaign chairman for the Quad-Cities.

Madison School Board Meeting Is Changed

Tomorrow night's regular meeting of the Madison school board has been postponed till Tuesday, Jan. 23, at 7 p.m. according to President John N. Belford.

Belford explained that the change allows for the regular January meeting, and a public hearing on a proposal to amend the budget, to fall on the same date. The budget proposal is being made to permit payment for construction of a Louis Baer multi-purpose room addition this spring.

Industrial Publication Praises Area Assets

The Tri-Cities area assets of location, water, coal and petroleum were pointed out in this month's issue of the STP Industrial Property Guide. The monthly publication is sent to 25,000 top industrial executives and industrial realtors.

This month's issue is devoted to Illinois and called, "The Illinois Story." The title of the article pertaining to this area is, "Industry Is Welcome in the Tri-Cities."

Accompanying the story and filling out the entire page is an advertisement which is co-sponsored by the Tri-City Regional Port District and the Tri-Cities Chamber of Commerce.

Both the story and ad point out the area's industrial, cultural, educational and geographical assets. The ad includes an aerial photograph of the area which shows the partially-developed harbor facilities, thousands of flood-protected acres for industrial sites, the proposed Federal Aid Route 131, the Granite City Engineer Depot, Granite City as the northernmost ice-free year-round and the proximity to St. Louis.

All of the above benefits are described in length in the article along with local labor relations, tax rates and community life.

Madison Lions Select Two Special Committees

Committees were named to plan two of the Madison Lions Club's special events of the coming year at the organization's regular weekly meeting Thursday night at the Sportsman's Club.

A six-man committee was chosen to organize the upcoming "pancake brunch." It will consist of Edward Puhish, Dr. Steve Geroff, Larry Paikes, Tom Miller, Joe Clark and Al Love.

Selected to serve on the Fourth of July committee were Love, Jerry Maeras, Pat Rich, Ray Dringich and Mike Sasyk. Twenty-two members attended the Thursday night meeting.

Revenue Agents Here To Give Tax Assistance

Internal Revenue Service agents are on duty again today at the city hall council room in Granite City to assist taxpayers in preparation of their 1961 income tax returns.

The IRS personnel will return here on Jan. 22, 29 and 30; Feb. 5, 12, 19 and 26; March 5, 13, 19 and 26; and on April 2, 9, 10 and 16. Hours each day are to be 9 a.m. to 4 p.m.

The visiting agents are from the East St. Louis office of the IRS, where tax assistance will be available by telephone every working day through April 16.

Unihav Boy Scouts At Record Total of 1920

Membership in the Unihav Boy Scout district at the start of this year totals 1920 boys, according to newly-determined figures, District Chairman Allen Jessee has announced. This is the largest number in Quad-City history.

The current total of 1920 compares with 1652 registered scouts, cubs and explorers five years ago. A goal of 2100 members has been set for this year.

New operating committee chairmen named by Jessee include Richard Nolan, advancement; Harry Wood, training; Robert McCoid, organization and extension; and Louis Reilly, finance.

Select Name For Infant

Daniel Robert is the name selected for their infant son by Mr. and Mrs. Gall Phelps, 3278 Franklin avenue. The baby, weighing eight pounds, two ounces, was born Jan. 6 at St. Elizabeth Hospital.

The couple has three other children, two sons and a daughter.

Carelessness Charged

Alfred L. Justice, 22, of 30 Briarcliff, was charged with careless driving at 9:50 p.m. Thursday after striking a parked car at 20 Briarcliff belonging to Willis J. Drennan, 45, of that address. The Drennan auto rolled ahead and struck another parked car belonging to Beverly A. Drennan, also of that address. Justice posted his driver's license as bond. No injuries were reported.

Enrolled As Math Major

Jack Saltich, a graduate of the Granite City High school, is enrolled as a math major at Eastern Illinois University in Charleston where he is a freshman student. The number of EIU

mathematics majors has climbed from a low of 41 in the fall of 1957 to a total of 211 this past fall, according to an announcement by Dr. Lawrence Ringenberg, head of the math department, who is also dean of Colleges of Letters and Sciences.

serving rural Illinois

Providing electric service to 100,000 customers in rural Illinois—

Illinois Power Company electric lines stretch in all directions across one-fourth of the area of the State of Illinois to furnish farms and rural communities with the same quality of electric service provided their "city cousins."

Illinois Power directly serves 32,617 farm customers, part of about 100,000 residential customers served by Illinois Power in those rural communities which have a population of less than 1500 persons. Of the 444 towns served by Illinois Power, 83% are communities of less than 1500 population.

In addition, Illinois Power supplies electric energy at wholesale rates to 14 rural electric co-operatives which, in turn, distribute it to their member-customers. As a result of these combined efforts, more than 98% of the farms in this territory have electric service.

Rural Illinois can be proud of its dependable, low-cost electric service that means better farming... and better living in Illinois.

Cherry-Chapman Engagement

Mr. and Mrs. William Cherry, 1525 Pontoon road, are announcing the engagement of their daughter, Miss Wilma Rae Cherry, to Charles W. Chapman, a son of Mr. and Mrs. Howard Chapman, 2701 Roosevelt avenue. Plans are tentatively set for a fall wedding.

The bridegroom, is a machinist-mate-journalist in the U. S. Coast Guard service. Miss Cherry graduated recently from a St. Louis comptometer school.

Annual Dinner Of Area PTA Council Set For March 1

Banquet plans were discussed as the Granite City Area Council of Parents and Teachers executive board met Thursday evening at the Coolidge Junior high school library. Mrs. Kathleen Tadlock, president, expressed appreciation to members having sub-renting temperatures to attend the meeting.

Principal discussion centered on the fourth annual "Appreciation and Recognition Banquet" to be given by the council Thursday, March 1 at the Granite City high school cafeteria.

Local PTA members will have the opportunity there to meet Mrs. Frances Nelson Fago, president of the Illinois Congress of Parents and Teachers, who will be guest speaker. Also included on the program agenda are several selections by the high school chorus, under the direction of Warren Simpkins.

Another highlight of the evening will be presentation of a state PTA lifetime membership award and pin to the person considered as having contributed the most outstanding efforts to the advancement of PTA in this area. On the panel of judges, who will select the winner, are nominations submitted by member schools, are Mrs. Ida Hanfelder, 1961 winner, Vasil Georgeff and Homer Johnson.

This year, for the first time, those persons whose names are submitted will receive certificates of recognition, in addition to the principal award. Mrs. Hanfelder, as committee chairman, is accepting nominations by letter, which must outline the individual's accomplishments and other pertinent information.

Ralph Monken, ticket chairman, announced that tickets for the smorgasbord dinner, scheduled for 6:30, are \$2.25, and are available from himself or any PTA president.

A resolution prepared by Mrs. Mary Jessee, legislation chairman, for presentation to the state legislation and policy committee of ICPT was presented to the board for final approval. The local council's recommendation asks for proxy voting on proposed issues, submitted by the state PTA convention, to afford member schools voting privileges, even though they may be unable to send delegates. Many smaller units, through financial or other reasons, are unable to participate in state policy-making decided at the annual three-day conference.

Mrs. Tadlock discussed the regular council meeting agenda for Jan. 25 at Wilson school, which includes an informative film, "Drop-outs," recently shown on educational television Channel Nine. The movie illustrates the cause and effect of high school drop-outs, stressing that the problem is usually detectable in the youngsters at the junior high school or elementary levels.

PTA presidents, unit delegates and other interested persons are being urged to see the film and to hear Joseph Pukach, Madison county co-ordinator of school guidance services, who will discuss solutions to the problem. The film is being provided to the local council under a new school legislation voted by the state assembly, which approved funds at the last session to pay two-thirds of the cost of guidance programs, workshops or surveys. The remaining third is borne by the school districts.

A nominating committee for new council board members will be selected at the Jan. 25 meeting.

DAVID PAINTER JOINS FRATERNITY

David Painter of Venice, has been inducted in Pi Kappa Alpha, national social fraternity, recently established on the campus of Eastern Illinois University in Charleston.

Campus activities sponsored by the group are a spring all-campus stunt night, Sadie Hawkins dance and a closed spring formal. Dr. Leonard Durham of Eastern is the counselor.

Gabriel Shrine 78 Observes Past Officers' Night

"Past Officers' Night" was observed Thursday evening in connection with a regular meeting of Gabriel Shrine 78, White Shrine of Jerusalem, held at the Masonic Temple.

Past officers filled the stations with Mrs. Grace Bourbon, past worthy high priestess, and Arthur Gillham, past watchman of shepherds, presiding in the East.

All past officers were escorted and after being introduced were presented with gifts. Those honored were Mrs. Florence Spohr, Mrs. Helen Merz, Mrs. Ann L. Mueller, Mrs. Ann Burnett, Mrs. Lida Thiel, Mrs. Kar-myn Edmonds, Arthur Gillham, Dr. E. L. Ackerman, Al Mueller, Mr. Roland Mueller, Max Merz, Henry Ashauer, Dr. E. H. Theis, Arthur Talbot, Wayne Richardson and Elmer Hibbler, of Guiding Star Shrine in Jennings, Mo.

After the meeting, a party was held in the dining room. The tables were decorated with large Shrine emblems and gavel and favors were miniature emblems attached to nut cups.

Approximately 78 members and officers were present. The next meeting of the Shrine will be "brother night" Feb. 8. Ira Medcalf will serve as general chairman of the party.

Mrs. Favier Is Class Hostess

Mrs. Louise Favier, 2128 Edison avenue, was hostess to the Alm High Class of St. Peter United Church of Christ, 21st street and Cleveland blvd., Friday evening.

Mrs. Johanna Lampe conducted a brief business session and the latter part of the evening was spent at games, the prizes going to Mrs. Estelle Monken, Mrs. Kay Cornelison, Mrs. Frank Georgeff and Mrs. Josephine Sartor.

The February meeting will be with Mrs. Justina Felt, 2203 Edwards street.

VACATIONISTS RETURN

Mrs. and Mrs. Herschel Taylor, 3128 Colgate place, have returned from a winter vacation in the southwest. They were away three weeks and visited San Francisco, Los Angeles and other California cities and spent some time in Phoenix, Ariz.

Bay View Meets At Bransmark Home

A meeting of the Bay View Reading Club was held Thursday afternoon in the home of Mrs. Robert Bransmark, 1703 Moro avenue, with eleven members responding to roll call.

After a dessert course Mrs. A. F. Buente jr., president, opened the meeting for a brief business session and reports of committees.

The program for the afternoon consisted of a paper on "Middle East-Past," by Mrs. John McCabe Moore. The club will meet again Jan. 25 with Miss Beatrice Cooley, 1439 Lindell blvd.

PUBLIC INSTALLATION

A public installation of officers of Cascade Temple 216, Pythian Sisters, will be held Jan. 26 at the IOOF hall, instead of Jan. 16, as was previously announced.

Monthly News

JANUARY, 1962

YOU'D LOVE PAMELA... She is only "Free" years old, but when she smiles at us and poses those big eyes and says "Hi" — we just melt.

RECENTLY PAMELA BECAME ILL — TEMPERATURE 104. Within 24 hours the prescription we compounded for Pamela brought the fever down and Pamela was better. Everyone of us here carried about Pam until we heard the good news.

HOW CAREFULLY DO PHARMACISTS FILL PRESCRIPTIONS? We feel that every prescription entrusted to us is as important as Pam's or any member of our own family.

WE BELIEVE THAT — Having an experienced pharmacist compound your prescription with "L. C." (Loving Care), is important to you. Having a complete inventory of pharmaceuticals, biologicals, vaccines, antitoxins and sickroom supplies is important to you. Having permanently available records for physician reference, taxes and insurance is important to you. Having delivery and charge services is important to you. AND...

DEPENDABILITY IS MOST IMPORTANT. We believe that price alone and the words "Cheap — Discount — Cut-rate — Reduced — etc." are not of great importance when someone is sick and needs a medicine. We don't think any of our customer-friends want to gamble the health of their loved ones for a possible dubious saving.

WE'LL FILL EVERY PRESCRIPTION WITH "L. C." (Loving Care). And, we pharmacists will always use the best product available and charge the necessary fair price needed to operate a good pharmacy — no more — no less. When you get your prescription you can depend on it.

Paddlers Board Plans For Meeting Of Members

The Paddlers board of directors met Thursday evening at the home of President Paul Morris, 1 Terrace Lane. Principal business was completion of arrangements for the annual stockholders' meeting, scheduled for Thursday, Jan. 25, at the Elks Club.

Members of the swimming club, located at 2121 Johnson road, will be required to bring eight new members to the executive committee. The board, in turn, elects officers at the first session.

Dick Pittenger gave a report on conditions in the pool area, and a number of additional reports were completed for presentation at the annual meeting. Others attending were Homer Johnson, Mrs. Donna Hogan, James Spinks, Jerry Sizemore, Bob Gray and Andrew Gilchrist.

Dunbar Rally Stops Mascoutah Friday, 43-37

Trailing until the final two minutes of the game, Dunbar grade school's eighth grade basketball rallied in Madison Friday to brush aside visiting Mascoutah, 43-37. Mascoutah had enjoyed a 15-5 first-quarter advantage. Theodore Porter led the winners with nine points.

Dunbar's "B" team held Mascoutah without a point in the second half to win the game, first game, 55-38. Dunbar led 36-8 at halftime. Dwight Butler scored 14 points for the winners.

Tonight's Park District Activities Canceled

All park district activities scheduled for tonight have been canceled due to the snow and ice. Recreation Director Harold Brown told the Press-Record this morning that since the Granite City schools had closed today, it was necessary to cancel park district programs.

Canceled are square dancing at Nanecki school, Church League basketball at Coolidge Junior high school and Classic League basketball at Frather Junior high school.

Belleville Press Beats Lincoln Grade School

Lincoln of Venice grade school dropped a 38-28 decision at Belleville Friday afternoon. Coach Stan Lynch said that his Lincoln squad started strong, but a Belleville press caused panic.

Ralph Madison, who under went an operation before the season started, returned to the lineup and led all scorers with 14 points. Lincoln played at 6:30 p.m. Thursday at Dupon.

Wolfe Hits 299 Game Second Time In Month

George Wolfe hit his second 299 game in three weeks Friday night in the Major League bowling league at Bowland lanes here. Wolfe rolled a 173 series, which included games of 210, 210 and 213 to go along with the 299.

On both occasions, Wolfe found a stubborn four pin standing in his attempts for perfect 300 games.

Deadline Jan. 31 For Farm Grain Loans

Farmers were reminded that Jan. 31 is the final date that the Madison County Agricultural Stabilization and Conservation Office may process CCC loans and accept applications for purchase agreements on 1961 wheat, soybeans, oats, barley, rye and grain sorghum.

Edwin C. Rethmeier, chairman of the county ASC committee said that all documents pertaining to the loans must be completed and disbursed by that date. This means, he added, that applications for farm-stored grain must be made not later than Jan. 29 for receipt that samples must be collected and tests completed before the loan papers will be processed and signed.

Producers have grain stored in approved elevators represented by warehouse receipts may apply for loans through Jan. 29 and purchase agreements are available through Jan. 31.

Corn loans will be available through March. Rethmeier said that the 1961 loan rates for wheat produced within the county is \$1.92 per bushel for grain grading No. 1, soybeans \$2.24, oats \$5.65, barley \$10.02, rye \$11.35 and grain sorghum \$1.87 per cwt. All loans earn interest from the date of disbursement until redeemed. The due date is March 31 for wheat and grain sorghum; April 30 for oats, barley and rye; and May 31 for soybeans.

N.E.D. OUTLET REPAIRS! CALL DOUGLAS, TR. 6-2988.

SNOW REMOVAL OPERATIONS carried out Friday by the Granite City street department on most downtown streets, was virtually wiped out early today when over one inch of snow fell on top of yesterday's rain and ice.

The top picture shows snow being loaded in trucks in the 1300 block of Edison avenue after being scraped with road graders that went into operation at 4 a.m. Friday. The snow removal on Friday continued until about 3 p.m. and Supt. of Streets William Warfield said about 320 tons were hauled away and dumped on local property at 21st street and Edwardsville road, shown in photo at right.

MORE ABOUT Bad Weather

(Continued from Page 1)

restaurant advertisements on them were stolen from a cigar box.

Restaurant food supplies stolen included seven pound boxes of coffee, two five-pound boxes of fish, a four-pound box of shrimp, six chickens from a refrigerator in a rear room, a gallon of barbeque sauce and two one-gallon cans each of green beans, corn and chili beans.

Mrs. Abbott said the food untouched in the refrigerator spoiled because the burglars left the door open.

Police reported that the entire place was ransacked and food and change was scattered on the floor.

\$20 Theft At Store

Burglars forced a rear door open and Bill & Kay's Food Store, 1120 Meridian street, lost \$20 in coins from the cash register, according to a report made yesterday evening to the sheriff's office.

\$19 In Coins Missing

Mrs. Alpha Bennett, 735 Karen Owens, 181, said that she had left her home for work yesterday at 10:30 p.m. and when she returned, she found \$19 in coins missing. She said it was in the pocket of a coat hanging in her closet. She is investigating the theft.

Motel TV Set Stolen

Theft of a portable television set from the Motel at 21st and V. Mitchell was reported Saturday to county authorities. The room was rented by a man named Mitchell. The auto was issued to a resident of Pana, Ill., the sheriff's office reported.

Record Player Missing

A high fidelity record player was stolen from the home of V. Morrison, 2116 Hildebrand avenue, according to a report made Saturday afternoon to county authorities. Morrison said also taken from the home at an earlier date were a 12-gauge shotgun and a typewriter. The sheriff's office said the thief apparently gained entrance through an unlocked door on both occasions.

4 Hogs Stolen

Four hogs, valued at \$100, were reported stolen from a pen on the edge of the Madison city dump sometime between Saturday and 2 p.m. yesterday by Soden Collins of 203 Allen street, near Park Acres.

Collins said the hogs ranged in weight from 125 to 150 pounds and were too wild to be caught. He said there was blood on the ground in the pen. He had fed the animals about 20 pounds, he said, and discovered they were missing when he went to feed them Tuesday afternoon.

Collins notified Madison police, who informed Madison county authorities.

Stolen Car Recovered

A 1957 auto belonging to Louis Bahr, 849 Niedringhaus avenue and reported stolen between 12:30 and 11 a.m. Sunday from Niedringhaus and Olive street, was found at 12:45 a.m. Sunday at West 23rd and Logan streets, where it had been abandoned.

Thomas Murdock, 1912 Joy Street, told police at 9:40 a.m. today that his nine-year-old daughter's purple plaid coat was stolen Jan. 4 at Frohardt school.

Two Hurt In Crash On Broadway, Venice

Two passengers were injured in a collision at 5:30 p.m. Friday at Market street and Broadway, Venice.

Patricia Nordyke, 19, Caseyville, suffered a cut on the lip and Joyce Braundmeier, 31, Collinsville, sustained an injury to the left ankle, police learned.

There was damage to the left front fender of the auto of Richard C. Nordyke, 20, Caseyville, heading northeast on Broadway, and the right front fender of a car driven by John Wilson, 50, of 535 Salverter street, Venice, who was crossing Broadway while traveling east on Market street.

Nordyke, whose auto was towed to a garage, said his car blinded him prior to the crash. Both drivers were charged with having no driver licenses. Each was released on bond pending a hearing.

GO TO CHURCH SUNDAY

It is announcing the results. Supt. Harold M. Kaiser points out that the figures reflect the performance and knowledge of all current tenth and eleventh graders, not just the honor students. "For such a group achievement, there has to be a large number of students going up to the top on their test scores," he comments.

"The results from these tests are very significant and clearly demonstrate outstanding achievement and accomplishments by our students. The results also reflect outstanding teaching and work by our teachers and staff," Dr. Kaiser continues.

Accelerated Courses

"It is further significant that the students tested represented those from all our schools who are in the high school. These groups have been through our junior high courses and have had an opportunity to take accelerated science, mathematics, foreign languages, English, social studies, and other courses. The students are taking more and achieving more."

"For example, the information on our present eleventh grade class indicates the following results. In background in social studies, the national norm is the 56th percentile, and our students made a score at the 74th percentile, 18 points above the national average."

28-Point Vocabulary Lead

Good Eating From Idaho

Halved Idaho Russet potatoes and Sweet Spanish onions baked in the drippings of the roast loin of pork make a mighty good, as well as obliging, all-in-the-oven meal. Serve it with coleslaw or Waldorf salad, hot rolls, beverages, a light or no dessert. Here is a menu you'll repeat many times.

These two famous Idaho-grown vegetables, such good buys in our markets now, may be served in no many ways that they may well become the backbone of many a meal, sometimes a meal in themselves. Couldn't you make a meal of a big "Baked Idaho" or a Ham-and-Rice Stuffed Onion? M-m-m!

Roast Loin of Pork with Dripping-Baked Potatoes and Onions

(for 6 servings)

4-pound pork loin roast, 3 or 4 large Idaho potatoes, 3 large Idaho Sweet Spanish onions

Pre-heat oven to 325 degrees F. (slightly under moderate). Allow 2 hours for total cooking time. Place pork in shallow pan with room enough to put vegetables around meat. Rub with salt and coarse-ground black pepper. Place in oven while preparing vegetables which should be around 15 minutes.

Peel onions, cut in quarters lengthwise. Scrub potatoes thoroughly. Do not peel. Cut in halves lengthwise. On cut side make diamond shapes by uniformly cutting crisscrosses just the slightest bit with a sharp knife. Sprinkle cut side lightly with salt.

Take pork from oven. Place onion quarters and potato halves, skin side up, around pork. Sprinkle onion lightly with salt and powdered sage. Return pan to oven. After a half hour, baste vegetables with the drippings from meat. Repeat twice. The whole meal will be ready 2 hours after pork is placed in the oven. Vegetables should be fork-tender and a meat thermometer in pork should read 150 degrees F. Always serve fresh pork well-done. It should be gray with no trace of pink.

Remove pork and vegetables to warm platter, placing potatoes and onions up. The meat pork drippings will have cooked into the potatoes and onions giving them a fine flavor. Gravy may be made with remaining drippings.

Madison Police 'Booked' 1180 Persons Last Year

Madison's Chief of Police Barney Fraundorf has reported to Mayor Stephen Maeras that 1180 persons were "booked" by his department last year. He added that 643 arrests were made in the 12-month period.

Fraundorf was quick to point out that of the 1180 persons, 551 were applicants or persons arrested for other law enforcement agencies. He explained that people opening new businesses and all solicitors must register at the station and undergo a character check. The department classifies such people as applicants and they are included in the 1180 figure.

According to the annual report compiled for the Federal Bureau of Investigation by Fraundorf and Police Clerk Tony Turzki, 177 of the 643 arrests were for road and driving law violations.

Parking Violations
Next greatest amount of charges—116—were for parking violations. There were 90 car-carrying charges, which did not include five auto thefts.

Next biggest offense consisted of 47 assault charges, which did not include two aggravated assault charges also filed by the Madison police.

Forty-one other traffic and motor vehicle violations were listed and 36 people faced disorderly conduct charges.

Bid Opening This Week On Madison Pumping Station

Bids will be opened at 2 p.m. Thursday, Jan. 18, for a new Madison pumping station which will be connected to the storm water system currently under construction.

The bids are being obtained by the U. S. Army Corps of Engineers and will be opened at the Corps of Engineers headquarters in St. Louis.

After being completed, the pumping station is to be turned over to the city of Madison for operation and maintenance by either the city or the East Side Levee and Sanitary district.

It will be located near the present Madison pumping station near the Venice riverfront. The drainage line currently being installed through North Venice to Washington avenue in Madison will enable the present combined Madison system to be separated into individual facilities for storm water and sanitary sewage.

Venice obtained a new pumping station under similar arrangements with the Corps of Engineers during the 1950s.

Teacher Training School At First Assembly Of God

"How to Teach" will be the general theme of a leadership training school to be conducted this week at First Assembly of God Church, 24th street and Grand avenue. Students may enroll at the church during the opening session this evening.

The 45-minute classes will be conducted each night through Friday with a "coffee break" between classes. Certificates will be presented to students who successfully complete the course.

The school will be conducted on a non-sectarian basis with teaching centered in the methods of teaching each age level. Christians are open to teachers, parents and persons interested in Christian education. There will be nursery classes for ages 28 months to two years with Mrs. George Ankara as instructor and a special lecture by Vera Newland; Joyce West will be in charge of the primary department. Mrs. Virginia Lee Evans will teach the juniors, Brooks Holder will be in charge of the intermediate department and Rev. Paul Evans will teach the young people and adults.

SKID ON ICE CAUSES CRASH ON ROUTE 35
A skid on a patch of ice resulted in a two-car collision on State Airt Route 35 in which the motorists escaped injury Friday morning, state police reported.

The eastbound auto of Larry L. Isaacs, 20, of Collinsville skidded into the side of the westbound car of Bruce C. Ullman, 26, also of Collinsville about 1 1/2 miles west of Route 157, the troopers said.

License Plate Orders Slow This Year

With the Feb. 15 deadline for displaying 1962 Illinois license plates fast approaching, motorists are applying for their new tags slower than they did last year, Secretary of State Charles F. Carpenter announced this week.

Registration through last week totaled more than 100,000 less than at the same time in 1961. Carpenter said, with about 1,115,000 applications received at Springfield. This left 2,500,000 motorists yet to apply.

Carpenter reminded drivers that mail applications must be in his office by Feb. 1 to assure delivery of the new plates by the display deadline.

Charged With Fighting In Tavern Parking Lot

Fighting and peace disturbance charges were filed by Venice police against Eugene Schuesser, 23, of 510 State street, Madison, and Lester Ray Chosen, 23, of 1415 Fifth street after they allegedly kicked Chester Peach of Venice while moving parked lot at the rear of a tavern at 718 Main street at 11:05 p.m. Thursday.

The two were released on \$20 cash bonds pending hearings. An argument over possession of car keys had started while the three were drinking at the tavern and the fight occurred later as they left, police were told.

GCHS Band To Present 2nd Concert Thursday

The second four concerts by the Granite City high school band during the 1961-62 season will be presented at 8 p.m. Thursday, Jan. 18, in the school auditorium. There will be no guest elementary or junior high band for this performance.

The 90 musicians participating in the program will include three graduating seniors, Walter Mathis, Don Pindell and Nancy Dunscomb. Selections to be played will be announced later this week.

Morris Takes CAP Exam For Foreign Trip

David Morris, cadet second lieutenant in the local Civil Air Patrol, was among 150 cadets taking an examination in Chicago on Saturday in competition for a 30-day European trip.

Morris, son of Mr. and Mrs. LeRoy Morris, 2616 Lincoln avenue, was in a group of three from CAP Group 6, which consists of cadets from the Quad Cities, Farmington City, Alton, East St. Louis and Bunker Hill.

Illinois is eligible to send four cadets to Europe on an exchange basis. The examination, both written and oral, was on special activities of CAP. The results are to be announced at a later date.

Accident On Lot

Involved in a minor accident on the Bus Bee restaurant parking lot at the junction of State Routes 111 and 162 Thursday evening were a delivery truck driven by Norman L. Jung, 45, of East St. Louis, and an auto operated by William H. Baker, 39, of 2259 Monroe street. Troopers said there was \$200 damage to the right side of the car and \$10 damage to the truck.

MITCHELL DEMO CLUB PLANS FUTURE EVENTS

A regular meeting of the Mitchell Democratic club was held Wednesday evening at the Diamond Inn clubroom with the chairman, George Hendricks, presiding. All the officers were present except two, absent due to bad weather.

A report was made on the Christmas dinner held at the Smorgasbord and on refreshments at the Diamond Inn attended by a large turnout of club members and their families. A lengthy discussion for the club, which is considering having a big dance at the Bella Vista and later on a professional wrestling show.

Preceding the meeting a buffet turkey dinner was enjoyed by the members. It was donated by Precinct Committeeman Gordon Routh. He had won it at the club's recent shooting match. Refreshments were furnished by the club after the meeting to 30 members. The next meeting will be held Feb. 14 at 8 p.m.

CONGREGATION TO MEET

Due to the bad weather, the annual congregational meeting was called off last Wednesday and will be held this Wednesday, Jan. 17, at 7:30 p.m. at the Mitchell United Presbyterian church. Refreshments will be served.

The Women's Organization Associational meeting which was called as a special meeting last Monday will be held this evening at 7:30 at the church.
